

Kitchen Multi Tool App

Our clients include some of the most high profile names in the Restaurant, Retail and Business Sectors, as well as one of the worlds largest catering companies with over 650 client sites and 12,000 staff Elior® – we are simply the best at what we do.

Kitchen Multi-Tool

- Ensure all your sites are using the most up-to-date recipes, preparation and presentation methods

- Deliver training material (including live presentations) directly to the kitchen to reduce training time and costs

- Improve the visibility of internal campaigns with the corporate messages region

- Use the Health & Safety section to educate staff on procedures more efficiently.

- Improve staff performance with cross-site competitions.
